30 October 2011

Excellency,

I have to recall our discussions during the Ministerial Conference on Nuclear Safety in June 2011 and the General Conference in September 2011 in Vienna. In order to show, once again, the political will of my Government to remove ambiguities, if any, in case that there is intention and authority in the Agency under your supervision, I hereby suggest that the DDG for safeguards, Mr. Nackaerts, to be delegated to Iran for discussion aiming at resolution of matters and to put an end to seemingly endless process.

Sincerely yours,

Fereydoun Abbasi Davari
